

From the office of
Congressman Jim Himes
Connecticut's 4th District

RECOVERY ACT INVESTMENTS IN NEW CANAAN

Transportation and Infrastructure

- Town of New Canaan: \$975,000 for street improvements on high priority roads in New Canaan. Funding will be used for pavement preservation activities including asphalt overlay, mill and overlay, and crack seal on White Oak Shade Road, West Road, Weed Street, Ponus Ridge Road, Park Street, Old Norwalk Road, North Wilton Road, Marvin Ridge Road and Farm Road.
- Merritt Parkway: \$70,800,000 spread across several towns to reduce the frequency and severity of accidents. Money will also be used for restoration of historic and architecturally distinctive bridges.

Education

- New Canaan Schools: \$1,005,263 in IDEA funds to ensure that the unique needs of children with disabilities are met, preparing each child for further education, employment, and independent living.

Housing

- Millport Apartments: \$41,022 for heating efficiency upgrades at the Millport Apartments, which contains 18 public housing units.

Public Safety

- New Canaan Police Department: \$30,000 to enhance traffic safety initiatives, investigative capabilities and response to incidents within the town. Money will also be used to establish a K-9 program.

Energy & Environment

- Town of New Canaan: \$82,593 towards projects that will improve energy efficiency and reduce the overall energy usage of the town.

Community Development

- Silvermine Guild of Artists, Inc.: \$20,000 to support the Gallery Director position at the Galleries.
